

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL GREGORY H. BISHOP

Col. Gregory H. Bishop is the Executive Director of the Air Force Scientific Advisory Board. He advises on matters pertaining to Board membership and manages program compliance under the Federal Advisory Committee Act. He provides the Board's first line interface to the air warfighter.

Col. Bishop has worked security policy issues at the national level while the SECAF's Executive Agent to the US Security Policy Board staff, with impact across 31 federal agencies and departments, to include duty with the national intelligence community at both NRO and CIA Headquarters. He has also worked with OSD in seeking viable solutions to the emerging proliferation of the Hard and Deeply Buried Targets, Chemical and Biological Weapons, and Transnational Terrorist threats. He has contributed to the "budget build" in prior duties as the Bomber Branch Chief in the Combat Forces Requirements Division (XORC) overseeing the management of all air breathing, long range power projection assets. His interface with the test community began with duty as the Combat Training Range Program Element Monitor (PEM).
